The Master Plus Braai

Manufactured in 304 food Grade Stainless.

Offering a dual bin cooking facility with 3 heat settings each with its' super solid 25 x 25 angle iron grid with 6 mm centre support and 4 mm cross bars.

The unit also has removable fire bins for easy cleaning.

The braai has a warming drawer where food can be placed after cooking to keep warm. The warmer gets hot enough to slow bake bread. ALL wooden side trays are inlaid into the handles and made of solid African Hahogany and natural oil sealed.

All handles are made of solid wood and are treated with a natural oil prior to shipping

The entire system is on pneumatic wheels for silent

Also Available with heavy duty safari canvas cover to protect your braai from the weather
